Barista/Café Service

Description

Good Earth is currently filling open **Barista** positions in our **Fairfax and Mill Valley Cafes!**

This position requires multitasking in a busy cafe making and serving fresh juices, smoothies, coffee and tea; familiarity with a variety of organic fruits and vegetables; and some knowledge of organic and natural foods. Our store specializes in organic foods and relies on knowledgeable customer service. We are looking for folks who care about giving great service and who care about food quality and health!

We are Marin's only independent, full-service, community-based mostly organic grocery stores. We are devoted to healing our food production system, our ecosystem, and sustaining healthy human bodies! We are a highly positive work culture, always seeking to grow and be great for each other and our community. Come play a role in supporting these goals and our community!
