Description

Our Mill Valley store is currently looking for a Part Time Cashier.

Cashiering at Good Earth is a great position for someone who loves people and loves being of service. This position utilizes the skills of multitasking, ringing customers up quickly and accurately, familiarity with a variety of organic fruits and vegetables and some knowledge of organic and natural foods. Our store specializes in organic foods and relies on caring and knowledgeable customer service. We are looking for folks who love people and the art of giving great service, and who care about food quality and health!

We are Marin's only independent, full-service, community-based organic & natural grocery stores. We are devoted to healing our food production system, our ecosystem, and sustaining healthy human bodies! We are a highly positive work culture, always seeking to grow and be great for each other and our community. Come play a role in supporting our goals and our community!

Responsibilities

- * Warm and enthusiastic customer service
- * Ring up orders efficiently and accurately
- * Maintain a balanced till
